

1- Read the text messages between Elia and Tom. Then write the meanings of the acronyms. (4x5=20p) **E8.5.R2.**

Students will be able to find specific information about the Internet in various texts.

Ella: OMG! I forgot we have a science quiz today!

Tom: Me too! Let's study together ASAP.

Ella: Good idea! CU in the library.

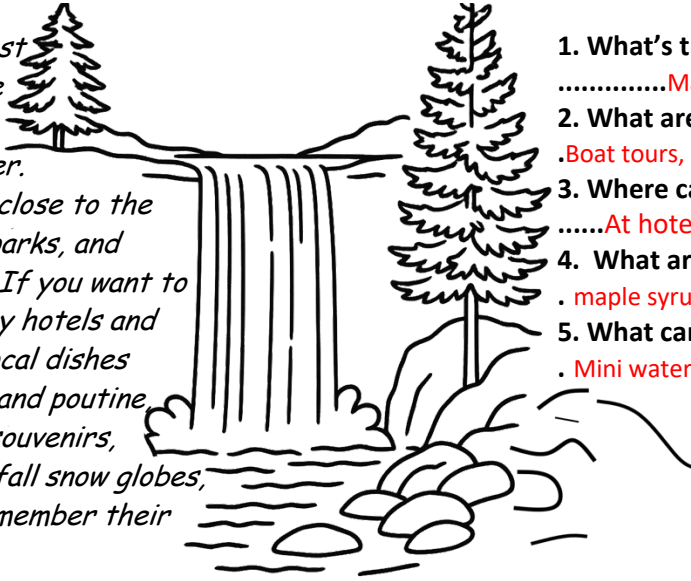

Tom: THX, Ella! You're the best. ☺

2 - Read the paragraph and answer the questions about Niagara Falls. (5x6=30p) **E8.7.R1. Students will be able to find specific information from various texts about tourism.**

Niagara Falls is one of the most famous natural wonders in the world. The best time to visit is between May and September.

Visitors can enjoy boat tours close to the falls, walk through beautiful parks, and explore interesting museums. If you want to stay overnight, there are many hotels and guesthouses near the falls. Local dishes include maple syrup pancakes and poutine, a popular Canadian snack. As souvenirs, tourists often buy mini waterfall snow globes, keychains, or postcards to remember their trip.

1. What's the best time to visit there?

.....May and September.....

2. What are some tourist attractions?

.Boat tours, beautiful parks, and museums

3. Where can visitors stay?

.....At hotels and guesthouses.....

4. What are the traditional dishes?

. maple syrup pancakes and poutine.....

5. What can we buy as a present?

. Mini waterfall snow globes, keychains....

3- Read the paragraph again about Niagara Falls given above and complete the brochure about it. (15p) **E8.7.W1.**

Students will be able to design a brochure, advertisement or a postcard about their favorite tourist attraction(s).

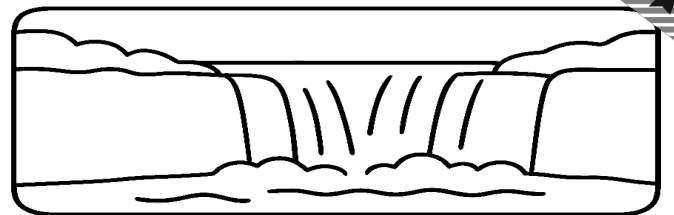

* About (5p)

* Things to do (5p)

* Dishes (5p)

**VISIT
NIAGARA
FALLS**

ABOUT

THINGS TO DO

**TRADITIONAL
DISHES**

4- Read the paragraph carefully. Then, look at the pictures and write the name of the family member who is responsible for each chore shown in the images. (5x4=20p) **E8.8.R1. Students will be able to understand various short and simple texts about responsibilities.**

Hi, I'm Lucas, and I'd like to tell you about how my family shares the chores at home. My mother, Susan, prepares breakfast every morning. My sister, Sara, irons the clothes. My other sister, Theresa, usually vacuums the house because she enjoys using the vacuum cleaner. My father, Scott, does the shopping every Saturday. As for me, I'm responsible for taking the garbage out...

.....Theresa.....

.....Scott.....

.....Sara.....

.....Lucas.....

....Susan....

5- Read the paragraph below carefully. It tells you about a scientist named Anne L'Huillier. It describes what she is doing now and what she did before. Then, answer the questions that follow. (5x3=15p) **E8.9.R1. Students will be able to understand short and simple texts about actions happening currently and in the past.**

Anne L'Huillier is a famous french scientist. She lives in Sweden now. She studies physics. In 2023, she won the Nobel Prize. She discovered attosecond pulses of light..

1. Where does Anne L'Huillier live now?
..... She lives in Sweden.....
2. What did Anne win in 2023?
..... She won the Nobel Prize.....
3. When did Anne work on laser experiments?
.....in 1985.....
4. Where does Anne work today?
.... She works at Lund University.....
5. What did Anne discover in her work?
..... Attosecond pulses of light.....

In 1985, she worked on laser experiments with her team. Today, Anne works at Lund University. She is talking to young students at a school.
